## IS SHE LOST?

Schooner Norma Not  
Heard From.

Missing Since Last Friday Week  
When She Sailed for  
Kauai.

Stories of heavy winds and high seas  
brought to port by Island steamers are  
creating much anxiety among shipping  
men concerning the welfare of the little  
Island schooner Norma.

She has not been heard of for over  
ten days now, and fears are entertained  
that she has been wrecked and her  
crew lost.

It was on Friday, May 4th, that the  
Norma left Honolulu for the Island of  
Kauai. Captain Weisbarth, who owns  
the vessel, was in command when she  
left upon what many now believe was  
her last voyage. Latest news from Kauai  
gives no information regarding her,  
and eight days after she had left here,  
Saturday last, she had not been seen at  
any Kauai port.

The little vessel was last reported at  
6 o'clock on Friday evening, the 4th  
inst., when she sailed for Kauai. She  
was loaded with general cargo.

Shipping men remember well the cir-  
cumstances of the purchase of the Nor-  
ma by Captain Weisbarth at a public  
auction at the boat landing, over six  
months ago. The famous yacht Norma,  
commanded by "Commodore" Weaver,  
was in port at the time, and when it  
was announced that the Norma was to  
be sold at auction, many thought that  
it was the Norma that was meant. The  
similarity of the names created some  
little confusion at the time.

Captain Weisbarth paid \$800 for the  
Norma. She has something of the hood-  
oo about her, if her many peculiar and  
varied experiences count for anything.

## SUGAR SALES

Kihei Will Make New  
Contracts.

H. P. Baldwin Goes To Coast To Ar-  
range Terms for Three or  
Five Years.

At the meeting of the stockholders of  
the Kihei Plantation Company yester-  
day afternoon, a resolution was passed  
giving Alexander & Baldwin authority  
to negotiate for contracts for the sale  
of the Kihei sugar for three or five  
years. Mr. H. P. Baldwin, of the firm  
of Alexander & Baldwin, leaves on the  
Australia for the Coast today to at-  
tend to this among other important  
matters of a similar character.

Representatives of other agencies are  
already in San Francisco and the ex-  
pectation is that all the plantations will  
at an early date make contracts of from  
three to five years for the disposition of  
their crops.

The present contract with the Sugar  
Trust is about expiring. The basis of  
the present contract is for sugar sent  
to New York, the New York price for  
sugar less one-tenth of a cent per  
pound. The basis for sugar sold in San  
Francisco is at the New York price less  
three-eighths of a cent per pound. The  
difference in cost of getting the sugar  
to New York makes the two rates about  
equal.

The Kihei Plantation Company had  
about thirty-five acres of cane left over  
from last cutting which had been plant-  
ed for seed, but was not needed for that  
purpose. The Hawaiian Commercial  
Company commenced grinding on it  
last week. It went 68 tons of cane to  
the acre, but owing to this being un-  
ripe, only turned out 8 tons of sugar  
to the acre.

The cutting was at once stopped and  
the balance will be cut much later when  
it is expected to go 10 tons. This cane  
was not planted until December, 1898,  
or six months after the regular planting  
time. The reason for its not being ripe  
was on account of its growing on lower  
land and it did not blossom, and con-  
sequently did not ripen. The balance  
of this thirty-five acres of cane will  
probably be ground in July.

MAKESHIFTS IN TIME OF WAR.  
As is usual in time of war, the South African campaign has displayed the genius of the  
contestants in the field of improvisation. The illustration shows two British examples in  
this line. The blanket shelter serves a very useful purpose in protecting the men from the  
rays of the hot African sun. The other picture gives a horse-watering scene. The water  
is placed in portable canvas troughs that are easily transported.

## TESTS PATIENCE.

The Most Patient People Must  
Show Annoyance at Times.

Nothing spoils a good disposition  
quicker.  
Nothing taxes a man's patience  
like an itchiness of the skin.  
Itching piles most drive you crazy.  
All day it makes you miserable.  
All night it keeps you awake.  
Itch! Itch! Itch! with no relief.  
Just the same with eczema.  
Can hardly keep from scratching it.  
You would do so but you know it  
makes it worse.  
Such miseries are daily decreasing.  
People are learning they can be  
cured.

Learning the merit of Doan's Oint-  
ment.

Plenty of proof that Doan's Oint-  
ment will cure eczema or any itchiness  
of the skin.

Read the testimony of a St. Albans,  
U. S., citizen.

Mr. DeForrest D. Judd, of Georgia  
St., says: "You can put down my  
name as one who is a firm believer in  
Doan's Ointment in cases of itching  
hemorrhoids. I have suffered from  
that for twenty years and during this  
time I doctored and used nearly all the  
salves and ointments I ever heard of  
but could not get any permanent re-  
lief. In the winter of 1896 I was so  
bad that I could hardly do my work,  
and lost many hours sleep on account  
of it. It was at this time that I saw  
Doan's Ointment advertised and got a  
box. The application relieved me. It  
never entered my mind that I could get  
cured entirely, but I did not then know  
the virtues of Doan's Ointment. It is  
the best thing I have ever used and I  
will speak well of Doan's Ointment."

Doan's Ointment for sale by all dealers.  
Price 50 cents. Mailed by the  
Hollister Drug Co., Ltd., agents for the  
Hawaiian Islands.

Remember the name Doan's and take  
no substitute.
